

YOUR WEDDING FLOWERS

Lancaster Farmacy is a certified organic herb and flower farm. We create one of a kind floral arrangements inspired by the seasons. Our sustainable and organically grown flower fields are overflowing with the best blooms to use in your arrangements. We also forage in local woods and meadows to expand our local pallet. Our a la carte wedding package is perfect for couples who value these aspects which set us apart from other florists. We are not a well suited match for couples who want very specific flower types that we do not grow.

We understand better than anyone how stressful planning your wedding can be. With so many choices, so much conflicting advice and so little transparency when it comes to the actual cost of things planning your wedding can go from exciting to overwhelming! We have streamlined the process of selecting your wedding flowers by offering a limited range of arrangement sizes to make it easier to choose.

How it works:

Simply choose the size and quantity of your personal flowers and centerpieces and describe your color pallet. Leave the rest to us!

Orders are available for pick up during set times at our farm. Delivery is available for an additional fee. Details are below.

We look forward to working with you!
